Title: Function-based Object Model for Use in WebSite Adaptation

**DECLARATION UNDER 37 C.F.R. § 1.132**

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe my co-inventors and I are the original, first and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled "Function-based Object Model for Use in WebSite Adaptation," as identified above.

The publication "Function-Based Object Model Towards Website Adaptation" (hereinafter, "publication") describes our prior inventive work as recited in the claims of the subject application.

My co-inventors and I unequivocally conceived of the subject matter described in the publication and claimed in the subject application. The subject matter described in the publication was invented by me and my co-inventors, and not by others. The other (non-inventor) co-authors of the publication were merely working under our direction. MPEP 715.01(C)(I).

All statements made herein of my own knowledge are true, and all statements made on information and belief are believed to be true. Further, these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statement may jeopardize the validity of the application or any patent issued therefrom.
